Inclement Weather and Emergency Closings

The directors of the three UD Children’s Campus programs work with the UD Office of Public Safety to determine appropriate actions during inclement weather. If a late opening or closing is determined to be necessary, message will be sent to all families via the Remind 101 system (please ensure that the front desk has an accurate e-mail address for your family). A notice will also be posted on our website (www.elc.udel.edu) and the ELC phone line (302-831-6205) voicemail message will provide current information about delayed openings and closings.
