

## **Family Engagement at the Early Learning Center Commonly Held Agreements**

Family Engagement at the ELC will:

- Help families feel a sense of belonging by providing opportunities to connect with one another within the ELC communities.
- Provide meaningful opportunities for families to share their gifts, talents, and culture.
- Inform families about what their child does during the day and why it is important to the child's overall growth and development.
- Support parents and caregivers with their role and assist them to be their child's primary advocate.
